

FREEDOM VILLE

Retreats & Gatherings

Welcome to Freedom Ville

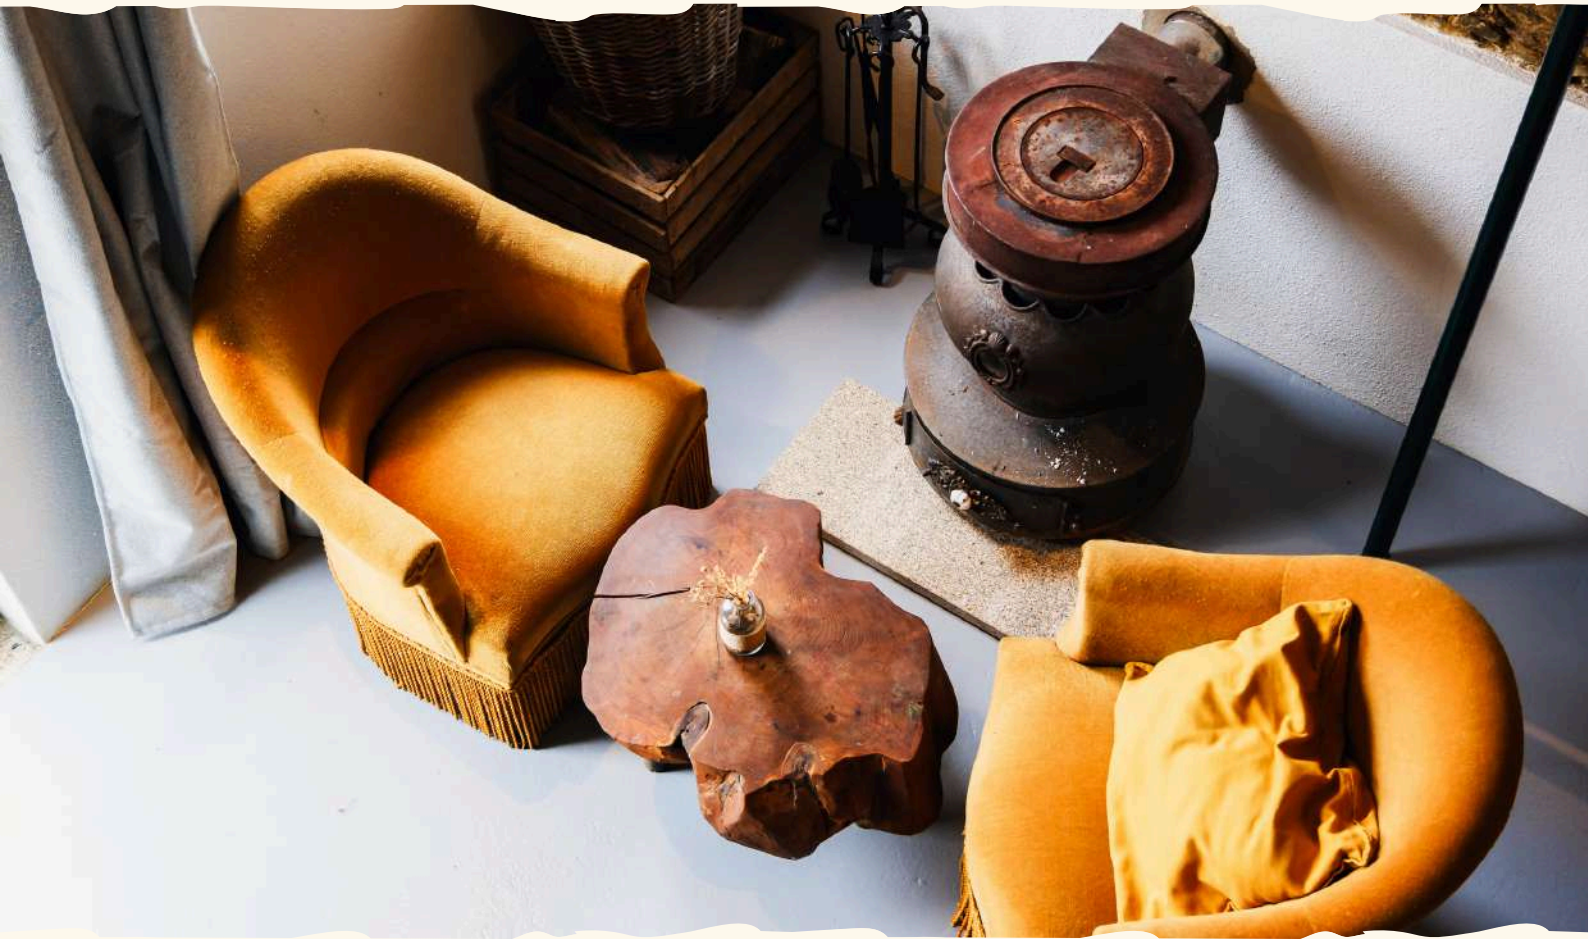

Wild Souls, Welcome Home

Dear visionary creators, facilitators, and catalysts of change,

Hidden in the heart of Portugal, Freedom Ville is a regenerative eco village, retreat center and creative sanctuary. We blend art, nature, play, community, education, and consciousness into experiences that help people reconnect with their inner truth, creativity, body, joy, sense of belonging and their personal and collective responsibility.

At Freedom Ville, we are building something rare, a place where transformation is not confined to workshops, rituals, or techniques, but flows through every stone, tree, colour, breath, and moment. A place where nature is the greatest teacher, where play is medicine, where art becomes prayer, and where community is the actual container for change. Whether you arrive to host a single gathering or feel called to return and grow alongside the land, Freedom Ville offers a living, breathing space that supports experiences which are deeply human, creatively daring, and rooted in genuine connection.

This equipment is suitable for most movement, meditation, and relaxation practices. Facilitators with specific equipment preferences or specialised prop requirements are welcome to bring additional items if needed.

Retreat Accommodation Prices

All retreat pricing at Freedom Ville is structured around shared accommodation as the baseline model. This ensures accessibility for participants while maintaining a sustainable structure for exclusive venue rentals.

🚩 Shared Accommodation (Baseline)

€50 per person, per night

- 2–4 persons per room depending on layout
- Standard retreat format
- Forms the basis for all minimum revenue calculations

🚩 Shared Double Room (Couples)

€65 per person, per night

- Private room shared by 2 people
- Limited availability
- Upgrade option
- Not included in baseline revenue calculations

🚩 Private Room (Single Occupancy)

€95 per night

- Private use of a room or studio
- Very limited availability

Important

Minimum revenue guarantees for exclusive venue rentals are always calculated using shared accommodation rates (€50 p.p.p.n). Upgrade options are considered add-ons and are not included in the baseline calculation.

In-house catering (recommended)

Whenever possible, we work with fresh, seasonal produce from our land and local suppliers, allowing the food to reflect the rhythm of the place and the surrounding region.

Standard Retreat Board

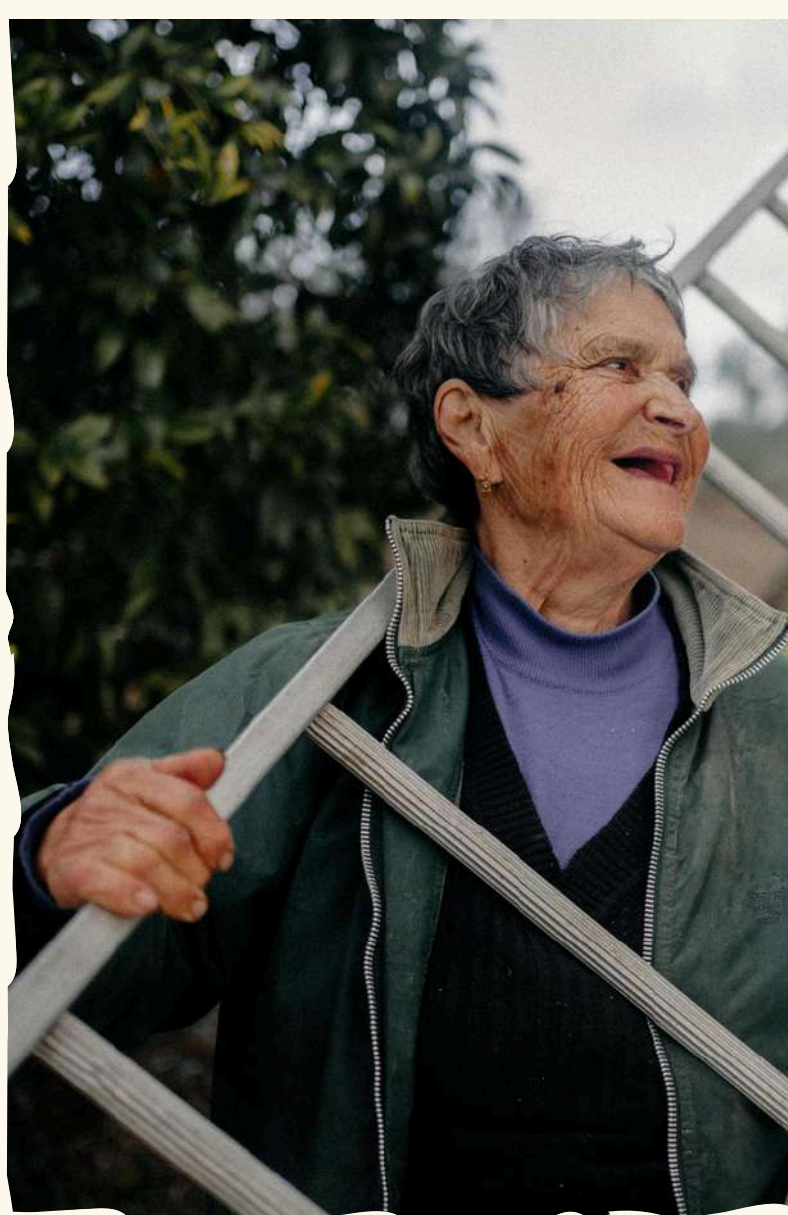

€50 per person, per day

Includes:

- Breakfast
- Lunch
- Dinner
- Unlimited tea & drinking water
- Filter coffee during breakfast
- Fresh fruit available throughout the day

This option ensures smooth logistics, aligned daily rhythms, and minimal organisational load for facilitators.

For ceremony-based retreats, catering is adjusted to the specific schedule and dietary structure of the program. Pricing is calculated per retreat based on the number of meals, menu complexity, ingredient selection, and chef involvement. A tailored catering proposal is provided once the retreat format is confirmed.

External catering / bringing your own chef

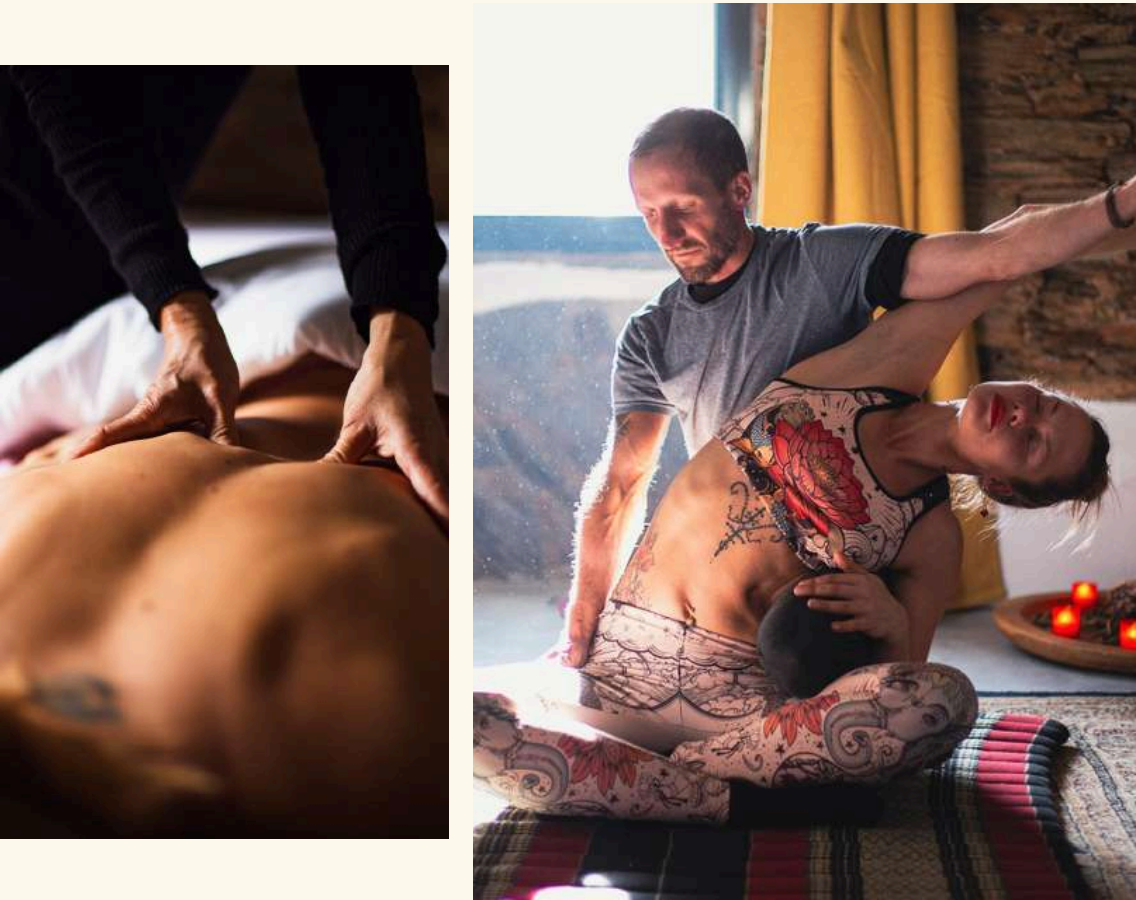

External catering with use of our kitchen is only possible for exclusive rentals of the entire venue.

To cover utilities, equipment use, coordination, cleaning, and general wear & tear, we apply a kitchen and infrastructure contribution:

- €12,50 per person, per day
- Minimum €200 per day
- Maximum €350 per day

This option must be agreed upon in advance. All details regarding kitchen use, schedules, and responsibilities are clarified prior to arrival.

Price Calculation

Minimum Revenue Guarantee

For exclusive venue rentals, a minimum revenue guarantee of 75% applies, based on shared accommodation rates.

This guarantees the sustainability of the venue while allowing facilitators flexibility in pricing and group composition.

Example calculation

25 participants × 7 nights

Accommodation (€50 p.p. p/n) + Food (€50 p.p. p/d) = €100 per person, per day

25 × €100 × 7 nights = €17.500

75% minimum revenue guarantee = €13.125 (incl. VAT)

The minimum guarantee applies regardless of final participant numbers.

NOTE: The minimum revenue guarantee is calculated using shared accommodation rates; double and single rooms are considered upgrades and are not included in the baseline calculation.

Exclusive use of the venue is possible for retreats that reach a minimum group size or overall booking value for the requested period. We're happy to explore together what is feasible for your retreat.
